1442 Harrisburg & 1553 Frank Rd called code enforcement about both properties due to the amount of debris. The City is trying to address litter; Harmon to Brown is bad. This needs to be a continued topic of discussion.

Taco stand may have moved to Harrisburg. There is dumping of concrete on Harmon.

Officially we have a Willow Creek block watch. David Kerr stated they heard gunshots near Brown and Dyer on March 10, any information? Officer Shay will research.

George requested consideration for a 3 year term that is already in process. The Commission will discuss later for a seat that expires in July and if appointed the Commission can re-appoint in July.

George was previously a SWAC member and agreed to run the meeting in chair's absence instead he cancelled the meeting and soon after he resigned. Discussions by each member.

Stefanie Coe made a motion to appoint George Wagner to a position that expires in July. The motion was seconded and six Commissioners approved and no one opposed.

There is nothing on the agenda for April and we won't have a quorum. The Commission agreed to cancel the April meeting.
